In addition, Im not seeing CARE + DTLA sites in CD1 in the daily schedule shared through UHRC. Pls advise.

Hi Jose,

Hope this email finds you well.

This is a reminder to please provide us with priorities for next week. Also, if possible, you can also provide us with priorities for the rest of the cycle.

I am attaching an updated AMS sheet for your reference, however, since we're just spot cleaning authorization numbers are not required.

Thank you so much in advance!
